

**What is it about Jonah's Whale Beach that attracts the world's rock royalty? –**

Maybe the spectacular views overlooking stunning Whale Beach, the award winning restaurant offering contemporary Australian cuisine under the direction of Logan Campbell, the extensive wine list hosting over 1500 bottles of exceptional wines from around the globe, the privacy of the accommodation which offers 11 Ocean Retreat rooms all with uninterrupted views and private balconies is a factor – but maybe word of mouth...

With over 86 Years of Excellence Jonah's is one of Australia's most spectacular ocean retreats and the most perfect location for local & international superstars to escape, relax and indulge. Renowned for its luxury, exclusivity and privacy, Jonah's has hosted many of the world's most famous rock stars. Jonah's has had the pleasure over its long history of looking after Mick Jagger, Shirley Bassey, Liberace and in the last few years Bono from U2, Rod Stewart, Ronan Keating, Justin Bieber, Engelbert Humperdinck, One Direction, Redfoo, Queen, Sam Smith and last week Brian Johnson – Lead singer of ACDC plus many others.

**About Jonah's**

Jonah's is located just 50 minutes from Sydney. The property was originally built in 1929 by Constance Vidal as a roadhouse in the remote outskirts of the city. During this era, 'modern day' ladies and gentlemen would set off in their motorcars for a weekend excursion to Jonah's. Today, guests visit Jonah's as a retreat from Sydney, either driving or taking a sea-plane to the iconic Whale Beach location to dine or stay.

The Relais & Chateaux property offers breathtaking views across the Pacific Ocean from a collection of luxury Ocean Retreat Rooms, as well as an inspired modern Australian restaurant experience.
