

# Gourmet luxury at Whale Beach

For the quintessential Sydney experience, book the seaplane, cross your fingers for a sunny day, and land at glittering Palm Beach.

## OVERVIEW

This stunning ocean retreat opened in 1929. Luxurious and discreet, Jonah's prides itself on its friendly and casual atmosphere and outstanding service.

## WHAT'S SPECIAL

Jonah's wow factor is the jaw-dropping view from the top of the cliff looking out to Whale Beach. The sensational view is backed by sensational food - the restaurant

has earned many awards including an Sydney Morning Herald hat every year since 2009. Indulge in a dining experience with dinner and breakfast included when you stay on Friday or Saturday night.

## ROOMS

The eleven rooms are spread across two buildings. Each features a private balcony with an expansive sea view. Inside the style is minimalist chic with hand-crafted furniture, limestone bathrooms and Molton Brown amenities.

## UPGRADE

For those wanting extra space the 'Peninsula' Room is the most spacious of the rooms in the property and contains an additional lounge area and two televisions. All rooms have recently been completely refurbished with custom made furnishings.

## DINING

Incredible views from inside or outside command your full attention as you dine on seasonally updated menus prepared under

the direction of Executive Chef, Matteo Zamboni. The menu is inspired by his Italian background with the continued emphasis on Australian seafood and the freshest local ingredients. An extensive wine list of 1600 wines from a cellar containing more than 12,000 bottles of vintage Australian and international wines is a special treat.

## SPA

In-room massage and beauty treatments are available from Purity Pacific.

## NEARBY

The hotel organises activities with the locals including surfing, fishing, sailing, golf and whale watching during the winter season of southern right whale migration. Take a walk to the nearby Barrenjoey

Lighthouse along a track that features views of the central coast, Palm Beach and the Pacific Ocean.

## FIRST CLASS INSIDER

For the quintessential Sydney experience, book the 20-minute seaplane charter from Rose Bay. It's a spectacular way to journey over the harbour and northern beaches, landing on Pittwater at Palm Beach, and being transferred to Jonah's from there. ■
